

# CLIMATE STRIKE **SEPT 20**

TEXOMA CLIMATE STRIKE  
Grayson County Courthouse  
100 W. Houston St.  
Sherman, TX 75090  
4:30 – 6 pm

As we stand at the chasm of our Climate Crisis, we need you NOW! We will gather at the steps of the Grayson County Courthouse in solidarity with people of all ages around the world just three days before the United Nations Climate Summit in New York City. We need to hear community concerns over our public lands and hear students' voices raised against the ravages of fossil fuels to our Earth. The time is NOW for JUSTICE! Come Be Part of the Solution!
