Congressman O'Rourke's Town Hall in Sherman

"The Grayson County Democratic party is excited to host Congressman Beto O'Rourke's Town Hall in Sherman," said Glenn Melancon, Chair of the Grayson County Democratic Party. "It is important for Americans to meet their Congressional representatives face to face."

Congressman O'Rourke will be holding a town hall meeting on Sunday August 13th at 12:30 pm at the East Courtroom of the Grayson County Courthouse in Sherman. Doors open at noon, introductions begin at 12:20.

Beto O'Rourke, a 3rd term Democratic Congressman from El Paso, is running for the U.S. Senate against Ted Cruz. Beto is a fierce advocate for getting big money out of politics. He believes every Texan should have a well-paying job and affordable healthcare. Congressman O'Rourke is committed to giving every veteran and service-member the dignity and support they've earned.

He and his family are driving across the state to meet and learn from fellow Texans. So far he has been to 37 counties, racking up more than 1800 miles with his wife and three children.

"Come listen to what he has to say," Melancon encouraged. "Hear about his positions on issues or ask a question. You won't be disappointed!"
